

Growth Matters

Revenue growth is what really matters in value creation.

Adam Hartung is a growth expert, speaker and strategy coach. He presents the real world path to growth and sustainable value creation.

Presentations:

- *Is your strategy Amazon Prime, Netflix or Windows 10?*
- *Growth winners are Transformers not Avengers*
- *Market disruptors don't get Ubered - how to stay ahead*

Keywords:

strategy, growth, innovation, value creation, disruption

(Adam can also customize a presentation for your needs)

“Adam will convince you disruptors create growth - then lead you to your winning strategy.”

*Buckley Brinkman
CEO, WMEP*

“Understand the history of strategy in 10 minutes and leave knowing how you'll create and implement yours to grow.”

*Brian Doudna,
Executive Director, WEDA*

“Adam delivers the research of a university wrapped in the practical application of a business leader.”

*Deb Dunie,
Board Director, SAIC*

74%

of all long-term value creation comes from revenue growth.
